Agreed Report December 10th 2025

1. Opening Prayer: Fr. Hayes led the board in saying the opening prayer.
2. Ethos: The board discussed the DEY Survey on School Patronage & possibilities around marking 50 years of Boards of Management.
   The board also discussed the next steps around the new school Mission Statement and RE Policy
3. Specific Projects:

- Maths Week took place between October 11th and 19th in our school, and pupils were engaged in a variety of fun lessons throughout the week.
- Anti-Bullying Week took place from 10–14 November, during which pupils engaged in a range of activities promoting kindness, inclusion, and positive relationships throughout the school.
- We are participating this year in the fully funded Raising Songs and Stories project through the Heritage Council of Ireland. Pupils have already taken part in one workshop and two historical walks through our town with Donald Sleater. The project aims to deepen the children's understanding of their local heritage through traditional song and story.

4. Cumann na mBunscoil: Our Cumman na mBunscoil team narrowly lost out in the final of the county Urban 2 section in October. Well done to our players and coaches who represented our school with distinction once again.
5. Uniform Upgrade**:** Following consultation with the Parents' Association, staff, parents, and the parent representatives on the Board of Management, there is a clear consensus to proceed with Grants Clothing as the supplier for our new school uniform, which will be available from Term 2.
6. Sixth Class Trip: Our 6th Class trip to Dublin took place on Thursday, 27 November. Pupils travelled by train to Dublin and returned via Killarney. The class visited the Wax Works Museum and Collins Barracks, where they engaged in a variety of valuable learning experiences. A thoroughly enjoyable day was had by all.
7. The meeting concluded at 7.30pm
